Searching for Newspaper Articles - Nexis

1. In Nexis make sure the News tab is selected.
2. Enter your search terms. Click + Add a Search term field to get additional search boxes so that you can build a search.
3. Choose whether you want to search Anywhere in the newspaper, just In the Headline or Important Mentions.
4. Select the type of publication you want to search from the Sources list (e.g. UK broadsheets, Major world newspapers – English etc.).
5. Specify the date range (if appropriate) and search.
