# Searching the Financial Times (or other newspapers) in NexisUK

You can choose to search a single newspaper in NexisUK. This example shows how to specifically search the Financial Times but you can follow the same steps for any newspaper title that is in NexisUK.

**1. Sources tab**

**2. Find Sources**

**3. Select Alphabet**

**4. Select the letter F (or other letter)**

**5. Tick Financial Times (London) or other Newpaper title you wish to search**

**6. Click OK - Continue**

You should now see the search box with the Financial Times (London) will appear in the Sources list.

**7. Now you can search as usual and all results will be restricted to the Financial Times (London) or the newspaper you have selected**

**Source** = Financial Times (London)
